Address

298/1, Jai Nagar, 5th Cross Street,
Kangeyam Road, Tirupur

Education

2023 - 2027

Bannari Amman Institute of Technology

CGPA: 8.18

HSC

2023

Percentage: 93.6%

Technical Skills

- **Programming**
Java,
- **FullStack**
HTML, CSS, JavaScript, React.js, Node.js
- **Database**
MySQL, MongoDB
- **Tools**
Figma

Language

Tamil R W S

English R W S

Hindi R

JAYAMUGUNTHA

Student

About

Aspiring Software Engineer with a solid foundation in Computer Science, programming, and FullStack development. Skilled in building interactive web applications and interested in integrating AI-driven features to create intelligent, user-focused solutions. Passionate about developing scalable systems and solving real-world problems using modern web technologies.

PROJECTS

- **AI TRAVEL PLANNER - SMART TRIP PLANNING MADE EASY**
 - Developed an AI-powered travel planning system that generates personalized itineraries based on user preferences. Implemented recommendation logic using user input data and integrated APIs to enhance decision-making and automation.
 - Tech Stack: React.js , CSS, Node.js, APIs
- **TEXT TO SPEECH CONVERTER**
 - Designed and implemented a web application that converts user-entered text into audible speech using browser speech synthesis APIs. Provides an interactive interface for real-time voice output to improve accessibility and user experience.
 - Tech Stack: HTML, CSS, JavaScript

TECHNICAL EVENTS

- **CodHer Hackathon – ACM CEG**
Built an AI-powered fashion recommendation chatbot using conversational logic and user input analysis to suggest personalized outfits. Focused on improving recommendation relevance using rule-based and AI-assisted techniques.
- **Cyber Hackathon – Thoothukudi District Police**
Participated on the theme “EmpowerHer: A Safety App for Women’s Secure Travel,” contributing to innovative safety solutions for women.

AREAS OF INTEREST

- UI/UX Design
- FullStack Development

PAPER PRESENTATION

- Ideathon – SCRS USA Center, FIU, USA
Presented “MediScanX,” an innovative healthcare concept aimed at improving medical diagnostics and patient care efficiency.

DECLARATION

I JAYAMUGUNTHA P , hereby declare that the above written particulars are true to the best of my knowledge.
